COMPANY PROFILE

Ever since the year of 2013, ForceLeader Enterprises Corporation, which has a major manufacturing plant in Hefei, China, has been providing our valued customers with one-stop packaging solutions and services, integrating high end design and top quality products. From customizable specialized promotional packaging to cost-efficient standard packaging, each of our product provides you with a unique look and company image to help your product branding in this highly competitive market.

And with the class-of-art equipment and machines, we continue to invest in the most up-to-date technologies to thrive in providing our customers with the best products and services. To minimize the environmental footprint for a greener planet, we also have full range of products including biodegradable PLA coated paper cups, water-based coated paper cups and packaging boxes etc.

With the strict quality control and food safety in practice and utmost focus on quality, integrity and customer satisfaction, our factory has obtained industry qualifications and certifications including BRC, FSC, ISO9001, SGS, SEDEX, etc.

Certification Body
CERTIFICATED
